

## LEADERSHIP INSTITUTE 2: Leadership Principles and Practice

You are developing your own leadership style and now you are looking to focus on the tools and foundations of effective leadership. This 6-session hybrid series is designed to provide you with the practices and principles that will motivate and empower those around you to develop an environment that inspires everyone. During the institute you will design and complete a leadership development opportunity that will positively impact your program. *\*This institute is for those who have completed Leadership Institute 1.*
