

A Comprehensive Resource for Out-of-Schooltime Staff

ACROSS NH Series: Using the SACERS-U Supporting OST Programs and Child Care Programs with an OST Component in Using the SACERS-U Tool

Presented by Cathy Hazelton, M.Ed.;
NH ASMP WT, PC, IM, ADS 6 and LE Level 3

This series of trainings is designed to support programs using the SACERS-U tool to implement program improvement. It is strongly suggested to complete the "ACROSS NH Introduction and Overview to ERS and SACERS-U" training before participating in the series. Register for one or all of the individual trainings. Those who participate in a training are also eligible for Technical Assistance. Technical Assistance is an enhanced form of professional development that will provide additional consultation on how to use the SACERS-U tool. Participants will receive professional development hours credit in their NHCIS account for each training that is completed. **Click on a session title to register:**

- October 27: **SACERS-U: Space and Furnishings Subscale #1**
- November 10: **SACERS-U: Health and Safety Subscale #2**
- December 1: **SACERS-U: Activities Subscale #3**
- December 15: **SACERS-U: Interactions Subscale #4**
- January 12: **SACERS-U: Program Structure & Staff Development & Supplementary Items Subscales #5, #6, #7**

Session Info: This series is virtual. All sessions will meet from **12:00-1:30pm**. You will receive an email with an invitation to the Zoom meeting after you register in **Eventbrite**, and prior to the session.

Cost and Registration: Participation is free, but registration for each session is required in Eventbrite. Click on the session title you wish to attend. Registration closes 2 days prior to each training. PD hours are awarded in NHCIS within 2-4 business days for each session completed.

Questions: Please email Cathy Hazelton, ACROSS NH Assistant Project Director, at cathy@seresc.net or call 603-206-6848.

**Thursdays:
12:00 - 1:30pm**

**Sessions Meet

ACROSS NH is a project of SERESC funded by the Bureau of Child Development and Head Start Collaboration. Our goal is to provide statewide technical assistance and professional development opportunities to out of school time providers to support their work in creating high quality, innovative programs for school age children.
